### FROM OCTOBER 17, 2025 TO MAY 3, 2026

**The 28th edition of *The Exposition "Edades del Hombre"* will be held in 2025 and 2026**, with a theme of **Hope** proposed for this occasion, in keeping with the commemoration that Pope Francis proposed for this current Jubilee Year.

In the arguments for this designation, he emphasized that this period " *will be a year of hope for the entire world, suffering the scourge of wars, the persistent effects of the COVID-19 pandemic and the climate change crisis.* "
